LIGHT SHOW

Seattle-based architect Nils Finne's creative vision doesn't end with the stunning sustainable residences he creates, as evidenced by the newest addition to his burgeoning lighting collection: the *SKLI* pendant light fixture. Hundreds of small glass rods are hand placed and adhered to the curvaceous, fused glass plane for an intriguing textural composition. finne.com; 206.467.2880

LUXE LOUNGE

Home furnishings giant Ligne Roset debuted several new pieces at Paris' Maison et Objet for 2010, as they prepare to celebrate their 150th anniversary. The *Ruché* sofa by Inga Sempé, pictured below, is a testament to the company's straddling of traditional and innovative styles, with a solid beech frame and elegantly quilted upholstery. ligne-roset-usa.com; 310.273.5425
